

KID'S SPECIALS
WE SPECIALIZE IN THEM

Paul's Center Bakery / Diner has been an establishment in Millbury for over 20 years. Entering the diner is walking back in time to an era of a long counter of swivel seats, cozy booths, fountain drinks and great food. We serve breakfast and lunch featuring daily specials, homemade soups and chili, and our breads and bagels are made daily in our bakery- try some of our own pastries for dessert. Our family wants to provide you with an atmosphere where you can chat with the locals, enjoy comfort food and drinking the "best coffee around"!
